WEATHER KEY POINTS

04/17/19 - 04/23/19

Wednesday-Friday

- Dry conditions and warming trend will continue with temperatures generally 10 to 15 degrees above normal by Thu-Fri.
- Increased temperatures late this week will continue melting of snowpack and will likely lead to rises in rivers and streams. No flooding impacts expected at this time.

Saturday-Tuesday

- A few showers across northern CA Friday night into Saturday, but no significant impacts are expected and snow levels expected to be around 8000-9000 ft.
- Cooler conditions with most locations near normal Saturday into Sunday.
- Gusty west winds expected for southern CA mountains and deserts, strongest Saturday afternoon and evening.
- Dry conditions with another warming trend again early next week

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

- **2019-LAW-1225, 04/16/19, 1415 hours:** Received an email from California State Warning Center (CSWC) requesting to contact Placer Sheriffs Office regarding Human Remain Detection (HRD) dogs. **1422 hours:** Contacted Placer Sheriffs Office, he advised they needed two (2) HRD dogs for a search in their county on 04/17/19. They coordinated the deployment of HRD dogs from Sacramento and were requesting a mission number for their mission. The dogs will report to their office 04/17/19 at 0800 hours. **MISSION ONGOING**
- **2019-LAW-1150, 04/15/19, 1142 hours:** Received a call from Glenn County Sheriffs Office requesting four (4) HRD K9s to assist in a search in a law sensitive mission. **1214 hours:** Contacted state K9 coordinator and provided him mission information. **1705 hours:** State K9 coordinator confirmed K9s for mission. **04/16/19, 1730 hours:** Contacted Glenn Sheriffs Office and they confirmed they completed their mission and released the K9s. **MISSION CLOSED**
- **2019-LAW-1138, 04/14/19, 1053 hour:** Received a call from El Dorado County requesting a mission number for a search at Folsom Reservoir. The search is for a missing jet skier and they are requesting boats with side scan sonar and divers. They confirmed they have coordinated with Placer County to deploy divers and one boat with side-scan sonar. They have also coordinated with Sacramento County to deploy one boat with side-scan sonar. Resources are requested to respond to Brown's Ravine boat launch on 04/16/19 at 0800 hours. Per El Dorado County, these resources have been coordinated and will deploy in the morning. **04/16/19, 1715 hours:** Contacted El Dorado Sheriffs Office and confirmed that they completed their mission today with no success. They have requested to close the mission pending further investigation on the MPs location. **MISSION CLOSED**

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions - Continued

- **2019-LAW-1045, 04/13/19, 1203 hours: MISSION REOPENED: 04/14/19, 0820 hours:** Cal OES LDO received a call from Air Force Rescue Coordination Center (AFRCC) advising they spoke with Modoc Sheriffs Office, who advised they were not searching for the original missing subject we initially requested forensics. They requested to confirm this with Modoc. **0835 hours:** Contacted Modoc Sheriffs Office and they confirmed the original missing person is still considered to be in the group, but they identified an additional subject that's potentially in the group that is diabetic and may not have taken their medication in the past two days. **0849 hours:** Region III Law Coordinator deployed to support this incident. **0900 hours:** Contacted AFRCC and advised them Modoc recognizes the original identified MP is still with the group they're searching for. **1028 hours:** Received cell number for additional MP believed to be in the group. **1031 hours:** Contacted AFRCC and provided cell number and requested cell phone forensics. **1805 hours:** Received an email from AFRCC advising one missing person's cell phone had turned on. **1841 hours:** Received an email from AFRCC advising they received a GPS accurate location with coordinates of 40.88870/121.65604 +/- 43 feet. The location appeared to be a residence. I passed this information to our assigned Region III A/C, who confirmed that missing person was located and was okay. The two other subjects have not been located. Search efforts are continuing for those subjects. **04/15/19, 1028 hours:** received cell phone information for second missing subject. The phone belonged to an acquaintance of the missing subject and was in her name. Provided cell phone information to AFRCC for forensics. I requested the mission remain open to monitor if the phone powers up. **1912 hours:** Received a call from Siskiyou Sheriffs Office advising US Forest Services (USFS) located tracks and an arrow formed with wood. They will be deploying to that area in the morning to initiate search from that area. Shasta Sheriffs Office will be assisting. **04/16/19, 1109 hours:** [Contacted by Siskiyou Sheriffs Office advising the remaining two missing subjects were located and in good condition.](#) **1111 hours:** [Notified AFRCC that the subjects were located and advised they could cancel their mission.](#)
MISSION CLOSED

Cal OES MISSION TASKING

Cal OES Missions

- **2019-SOC-275:** Request for Caltrans Engineer to provide initial technical assistance and determine the scope of the storm drain assessment project alongside city contractors for the town of Paradise. (Coordinating)
- **2019-SREOC-57753:** Requesting equipment to excavate material from under road culverts. (On Scene)

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
